Please read Vendor Guidelines below before applying to be a market vendor. Our goal is to have all vendors aware of these guidelines to ensure every market runs seamlessly.

Everyone MUST fill out the vendor application form found on the Taghum Hall website at www.taghumhall.ca/vendors. Vendors are expected to read the Vendor Guidelines before submitting an application confirming agreement with the terms and conditions. Upon receiving your application, the Taghum Hall market coordinator will review your information and connect with you. **WE DO NOT ACCEPT DROP-IN VENDORS AT THIS TIME.**

IMPORTANT DATES & TIMES

All dates and times are subject to change based on decisions by the market coordinator and Taghum Hall. Winter markets usually run once a month from January to March.

Set-up begins two hours before the market. Vendors are expected to be punctual. Late arrivals will not be permitted to participate in the market (unless previously arranged with the market coordinator) Vendors MUST stay at the market for the entire length of the market, even if they sell out of products. Special market dates including Earth Day, Harvest Fest, and Christmas, are to be determined.

FEES

The cost to vend (PER BOOTH)

- \$30 for all markets
- \$5 extra for vendors requiring electricity

PARKING

Vendors are asked to park by the bridge easement beyond Torano Road. Please do NOT park in the Hall parking lot so that there is space to allow for customer parking.

CHILDREN

We understand the importance of family: if a Vendor needs to bring their children to the market, they must remain at their booth for the entirety of the market. Parents must ensure that their child does not interfere with set up, display, and operations of other Vendors.
